

Fearless Love

Verse I

All my life was wrecked by sin and strife
Fear had filled my heart with pain
Love was not a part of my brokenness
Love from Him I must receive

Refrain

Jesus, Jesus, Jesus, Greatest love to know
Fills my every longing, keeps me loving as I go

Verse II

His forgiveness cancels guilty fear
Trials fall across the way
Boldly on a path though rough and steep
Love empowers all the way

Refrain

Verse III

There's within my heart a melody
Jesus whispers sweet and low
Fear not, I forgive thee, peace, be still
In all of life's ebb and flow

Refrain

Verse IV

Fearless love the riches of His grace
Returning to my king his love
Always looking on His smiling face
That is why I shout and sing

Refrain

Verse V

His love is an anchor holding me
As vast as all the starry sky
Loving others through Him fearlessly
I have love from him on high

Refrain
