

I Stand in Awe of You

Verse I

Oh, my God and my King,
With us let Your name ring,
We stand in awe!
Father so glorious,
You're all victorious
Your love reigns over us, Ancient of Days!

Verse II

Desir'ng Your great love,
Oh, Jesus so glorious,
Help us to receive!
Come, and your people bless,
Receiving love's success,
Exchanging love in holiness, we depend!

Verse III

Come, holy Comforter,
As we in love respond
Child and a friend.
You who almighty art,
Now rule in all our heart,
And ne'er from us depart, Spirit of power!

Verse IV

Oh, Lord my God and King,
Eternal praises ring,
Now, evermore
In awesome wonder be
We now Your glory see,
And through eternity love and adore!
