

## *Joy Out of Sorrow and Pain*

### **Verse I**

Joyful, joyful, we adore thee,  
God of glory, Lord of love;  
Hearts unfold like flowers before thee,  
As we receive Your love above.  
Melt the clouds the sin of unforgiveness,  
Drive the dark of guilt away.  
Giver of immortal gladness,  
Fill us with Your joy today!

### **Verse II**

Joy replaces sorrow as we love Thee,  
Fellowship with Thee pain melts away,  
Saints and angels sing around thee,  
Center of unbroken praise.  
Thou our Father, Christ our Brother,  
All who live in love are Thine;  
Teach us how to love You better,  
Lift us to Your joy divine.

### **Verse III**

Thou art giving and forgiving,  
Ever blessing, always blest,  
Father love is reigning o'er us,  
Brother love binds man to man.  
Ever singing, march we onward,  
Victors in the midst of strife;  
Confident hope will lead us onward,  
You are the source of joy in life.
