

*Oh I Want to Know You More**

VERSE I

Just the time I feel that I've been caught in the mire of self,
Just the time I feel my mind's been bought by worldly wealth,
That's when the breeze begins to blow, I know the Spirit's call,
And all my worldly wanderings just melt into His love.

CHORUS

Oh, I want to know you more,
Deep within my soul *I need your love,*
Oh I want to know you.
To open up my heart to know,
The awesome reverence stirs up within me,
With cries that say I want to know you,
Oh I want to know you more.
Oh I want to know you more.

VERSE II

When my daily deeds ordinarily lose life and song,
My heart begins to bleed, sensitivity to Him is gone.
I've run the race, but set my pace and faced a shattered soul,
Now the power of His great love warms my hungering to be whole.

ALT. CHORUS

Oh, I want to know you more,
Deep within my soul I want to know you,
Oh I want to know you.
To feel your heart and know you're mine,
Looking in your eyes stirs up within me *Cries that say I want to know you,*
Oh I want to know you more.
Oh I want to know you more.
